Call CanAg as far in advance as possible to make southbound travel reservations.

CanAg will not re-confirm Southbound Ground Transportation time with you. You will be advised of drop off times when you call CanAg to make a reservation. It is imperative that you are "on time" at the drop point for inbound or outbound travel. A delay causes all other stops to be delayed and during southbound travel the workers may miss their flight. Employers are encouraged to call the CanAg after hour telephone answering service prior to leaving to pick up workers.

PENALTY – 15 DAY WINDOW

15 business days prior to flight all seats are considered sold; payment will be required and is the responsibility of the employer. Employers who do not wish to receive an unnamed worker in place of a named worker who is not ready to travel at the time of flight will be required to pay for the unused seat

Where ground transportation is cancelled within 72 hours of the flight it is to be understood the cost will remain in effect and the Employer is responsible for payment.

ADDITIONAL COSTS NOT INCLUDED IN THE ABOVE PRICING:
Ground transportation for the workers to / from Toronto Airport.
